(Senior) Consultant - Strategic Change & Organization Transformation (m/f/d)

Job-ID: 327

Do you want to help clients design their organization and transformation of their working world in **Consulting – Organization Transformation**? Our team comes up with the right initiatives and puts them in place. Ensure our joint success and make the difference with us as a **(Senior) Consultant - Strategic Change & Organization Transformation (m/f/x)**.

Standorte: Berlin, Frankfurt (Main), Hamburg, Stuttgart, Cologne, Dusseldorf, Hanover and Munich.

Dein Impact

- **Team work:** Mobilize and engage executives and employees, design change campaigns, support the change effort, and create communication materials.
- **Human capital:** Apply change methods such as people analytics, design thinking, behavioral change, and agile project management.
- **Content support:** Help create proposals for our customers and take responsibility for defined work packages.
- **Full engagement:** Work with our market offering teams to improve our services with the goal of keeping them at best-in-class level.
- **Tailored solutions:** Work closely with colleagues across the Human Capital practice to meet our clients' specific needs.

Dein Skillset

- **Excellent university transcript** and relevant professional experience, plus analysis and interpretation skills
- **Comfortable** with innovative change tools/methodologies, e.g. visualization techniques, personas, design thinking and agile change management
- **Strong presentation and facilitation** skills and a clear team spirit, flexible thinking, and willingness to travel
- **In-depth knowledge** of project management as well as customer management paired with strong entrepreneurial thinking
- **Fluent** English and German

Bist du bereit? Mach mit uns den Unterschied!
